25X1B	that, from 16 to 20 October 1950, the Tannenberg Kaserne served as transient billets for about 800 troops who are believed to have been trained personnel due for discharge. Present 25X1A report indicates that another 1,200 troops were processed for demobilization on 21 October 1950. Therefore, between 1 and 21 October 25X1A about 3,000 troops due for discharge departed from Weimar. Since the occupation of the other barracks installations increased over the
